## EDUCATION

### Iowa State University

Bachelor of Science in Electrical Engineering

- Anticipated Graduation of December 2023

### Iowa Falls - Alden High School

High School Diploma

- Graduated May 2019

## OBJECTIVE STATEMENT

Looking for an internship, networking opportunity, or future career and work possibilities. As an electrical engineering student with an emphasis on electromagnetism and applied mathematics, I am primarily looking for opportunities in forensic or fire investigations, failure analysis, building or project consultation and design.

## WORK EXPERIENCE

### Information Technology Support Technician

Simon Estes Music Hall | July 2021 - present

- Managed and maintained computers, printers, and public spaces
- Programmed and managed proximity door locks
- Provided technology support via online chat and in-person
- Wrote instructions and other technical documents for a variety of systems, softwares, and updates
- Assisted department staff as problems arose last minute as an on-call technician

### Recording Engineer

Simon Estes Music Hall | July 2021 - present

- Prepared, tested, and helped troubleshoot multiple systems before live events
- Provide audio and visual support for events, concerts, classes, and extracurricular activities
- Completed post production audio and video edits from professional and collegiate performances
- Wrote instructions and other technical documents for a variety of audio-visual systems

### Administrative Office Assistant and Tour Guide

College of Engineering Student Services | May 2022 - present

- Managed full-time staff schedules, preformed administrative tasks
- Answered prospective student questions via phone, email, and in-person meetings
- Provided guided general and personalized tours for students and guests while answering questions and providing knowledge on a variety of areas and departments within the College of Engineering

### Audio Visual Technician and Student Equipment Specialist

Parks Library | March 2020 - April 2023

- Wrote instructions and other technical documents for a variety of audio-visual systems
- Budgeted, researched, and wrote proposals for the purchase of audio and camera equipment
- Tested and maintained group study rooms, conference rooms, and public spaces
- Provide audio visual support for events, meetings, classes, and extracurricular activities
- Maintained an inventory of speakers, Windows and Apple laptops, accessories and cameras

## RELEVANT COURSES, SOFT SKILLS, PROFICIENCIES

EE 224 & 324 - Signals and Systems  
EE 303 - Energy Systems and Power Electronics  
EE 332 - Semiconductors  
EE 311 - Fields and Waves, Intro to Electromagnetism  
EE 411 & 414 - Electromagnetism Specialized Courses  
CPR E 281 & 288 - Digital Logic & Embedded Systems  
Physics I & II

Math 201 - Introduction to Proofs  
Math 165 - Calculus I  
Math 166 - Calculus II  
Math 265 - Calculus III  
Math 267 - Differential Equations  
Math 317 - Theory of Lin. Algebra

**Proficiencies include:** C Programming, Matlab, circuit design, and technical communication  
**Soft skills include:** Organization, service, problem-solving, communication, and leadership

## LEADERSHIP EXPERIENCE

- Senior Vice President of Student Affairs Student Advisory Board
  - Nominated | August 2022
- Department of Electrical and Computer Engineering Student Advisory Board
  - Appointed Member | March 2021 - present
- Iowa State University Student Government, Senate
  - College of Engineering Senator, Elected Position | April 2022 - present
  - Rules Committee, Elected Position | May 2022 - present
  - PR Committee, Elected Position | January 2023 - present
- Engineering Student Council
  - Vice President, Director of Administration | March 2022 - present
  - Member | March 2021 - 2022
- Engineers' Week Executive Team
  - Co-President | March 2021 - present
  - Community Engagement Co-Chair | March 2020 - March 2021
- Tau Beta Sigma Service Sorority
  - Vice President | January 2023 - present
  - Parliamentarian | April 2022 - January 2023
- Iowa State University Cyclone Marching Band
  - Section Leader | 2023 - 2024 Season
  - Section Leader | 2022-2023 Season
  - Section Leader | 2021-2022 Season

## VOLUNTEER EXPERIENCE

- Steamboat Rock Baptist Church
  - Audio Visual Technician
  - IT Support
- Missionary Alliance Church
  - Audio Visual Technician
  - IT Support
  - Stage Manager
- Scenic Manor Nursing Home
- Girl Scout, Silver Award
- National Bumblebee Watch Contributor

## ADDITIONAL EXTRACURRICULARS

- College of Engineering Prospective Student Guide
- Engineering Orientation Student Panelist
- Engineering Career Fair Ambassador
- Iowa State University Basketball Pep Band
- Hockey Pep Band at Iowa State
- Boxing Club at Iowa State

## PERSONAL STATEMENT

You have probably seen hundreds of resumes, shaken hundreds of hands, and talked to more students than you can count – and for your time, I sincerely want to thank you. I appreciate your consideration and time you spent with me or reviewing my resume. Have a delightful rest of your day!
